Welcome new residents,

I wanted to ensure everyone is up to date on trash services for the community. ***PLEASE NOTE* Waste Services are not paid for with your Metropolitan District Fees.** The first quarter will need to be paid to activate waste services. For additional information regarding what Metro Fees cover, please visit the East Bend website at <https://www.eastbendmd.com> and review the CC&Rs and the Resolutions.

To set up trash service at your residence, visit the following website
